## MEETING ROOM WITH SOFAS

Mingle is a modular sofa system designed to allow for flexible and comfortable seating solutions on a small surface. With straight or curved modules for seats and tables, as well as fixed combinations, Mingle offers many possibilities for modern and scalable lounge- and seating areas or meeting places.

Mingle offers great opportunities for furnishing flexible meeting places and room-in-room. In their high design with sides, both sofas and armchairs function as secluded seats for one or more people.
