| MODEL        | Table  |
| VARIANTS     | -<br>-   |
| ACCESSORIES  | - Power and cable management<br>- RAL Classic  |
| DETAILS      | - Tabletops are available with either a straight or beveled edge. Tabletops with a width of $\geq 1400$ mm have a crosswise veneer direction. The tabletop can be equipped with cutouts for power and cable management or fitted with a cable hatch.   |
| CONSTRUCTION | The frame consists of a metal structure with legs made of square metal tubing (60 x 30 mm). The tabletop with a beveled edge has a 22 mm MDF core, while the tabletop with a straight edge has a 22 mm wood fiber core. Surface coating ranges from 0.2 to 2 mm depending on the chosen material. The tables are available with a smooth tabletop or an integrated cable hatch with steel hinges. The hatch design matches the tabletop. The cable hatch includes an unconfigured cable tray with two $\text{\O}60$ mm holes per hatch; configurations are ordered separately. |
| DIMENSIONS   | Height: 720 mm<br>Length: 1200 - 5400 mm<br>Width: 800 - 1400 mm   |
| WEIGHT       | 50 - 150 kg  |
