

EFG010427

EFG Saddle seat

EFG Saddle seat is a simple office chair in two different models, with or without back. The chairs can be covered in black fabric or black leather. EFG Saddle seat is adjustable in height, from 550-740 mm. In the highest position you can choose between a sitting or standing working position at a stand up/sit down table, without having to change the height of the table.

Product info

- With or without back.
- Two different finishes, black fabric 100% polypropylene (70.000 Martindale) or black leather.
- Back adjustable in height and angle.
- The seat has adjustable seat angle.
- Adjustable seat height 580-790 mm as standard. Additional seat heights; 410-530 mm or 480-620 mm.
- Intervally braked castors Ø 60 mm for hard floors or braked castors (when loaded) for hard floors.
- Additional: Five star base in aluminium and plastic glides.
