

HideTech

TABLE WITH METAL LEGS

HideTech is a family of tables designed for the modern workplace where an increasingly large part of the work is done in the form of meetings. EFG HideTech is available with technology hidden inside the table but easily accessed from the desktop via the next generation of cable management. EFG HideTech is a new way of thinking.

MODEL	Table
VARIANTS	<ul style="list-style-type: none"> – Plain table top – Cable cover
ACCESSORIES	<ul style="list-style-type: none"> – Power and cable management – Cable hatch – RAL Classic
