

Izi Pro S

SIT/STAND, MOTOR OPERATED, 2 LEGS

Izi Pro S is an adjustable, motorized, sit-stand desk frame for flexible and sustainable workplace solutions. Izi Pro S is minimalist in design, with slim components, which means less material used and less weight. The frame is available in a version with two legs for rectangular tops, or with three legs, for combinations. The frame is adjustable in length (two-legged frame) as well as length and depth (three-legged frame), which enables a large selection of table top dimensions.

2-leg frame suitable for table tops 1200–2000 mm in length and 600–1000 mm in depth.

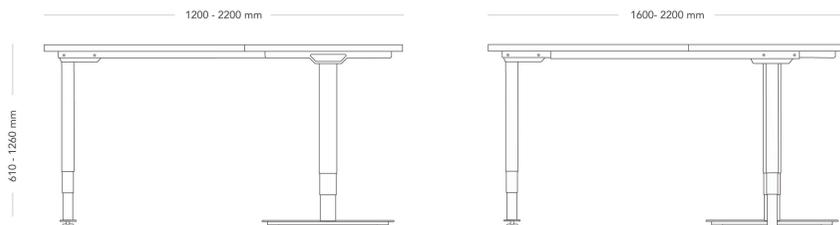

MODEL	Desk frame, sit/stand	
ACCESSORIES	<ul style="list-style-type: none"> – Accessories for table screens – Table screen – Power and cable management – Standing mat
